Company's business description

STEMMER IMAGING is a leading international machine vision technology provider. With staff located across Europe and Latin America, we provide state-of-the-art machine vision solutions, extensive knowledge and outstanding customer service.

Our customers value us as a trusted advisor, positioned to deliver tailored solutions. These include components that we can pre-configure, sub-systems designed to reduce time and effort when integrating vertical applications, and customer-specific solutions delivering a competitive advantage to predominantly OEMs – all powered by our renowned knowledge and leading software tools including our own “Common Vision Blox”.

VISION.RIGHT.NOW. symbolises our mission to make machine vision easy and accessible, empowering customers to deliver world-class solutions.
